

BBQ 2019

To all the members of the BBQ supporters club & honorary members.

Do you realise without a BBQ next year your childs fees will increase by approximately \$25 per head, our game leaders program will suffer....and most of all your early morning Breakfast & Lunch may not be available at the ground.

We desperately need a or some volunteers to take control of the BBQ as the time for me to move on has come.

The operation of the BBQ, ordering food and workings during the day has become a fairly simple task; we are just looking for someone with a bit of passion for our club to step forward to help, and some handy volunteers to assist.

I am happy to help out with handing over and working with you for a few weeks into the new season so that you are not left without any knowledge...

I am available for a chat on the mobile 0418264654, at the club on a Saturday or any time suitable....

Looking forward to hearing from a few interested people.

Luvyagutz
