## PLAYER INSURANCE DURING SUSPENSION OF FOOTBALL

Dear Club Presidents & Registrars,

We write to you today to provide information regarding the personal accident insurance for players during the staged return of football training and matches.

### REGISTERED PLAYERS

All players who have registered for the 2020 season through Play Football are already covered within the personal accident insurance program.

If any players have been injured during the return to training and need to make a claim, you can provide them this link: <https://www.gowgatessport.com.au/football/claims/>

Further information on the personal accident program, including the link to make claims, is available on the [Capital Football website](#).

### NON-REGISTERED PLAYERS

We understand following the temporary suspension of football that some players who intended on registering for your clubs may have paused to see if a football season eventuated. With a return to training, those players may now seek to register for football, but may not be able as clubs pause on re-opening registrations as decisions are made on a revised registration fee.

Following discussions with our personal accident insurer, we have created an [Intent to Register](#) online form. This form identifies a player's intentions to play if they are selected to the team / club and will mean they are covered under the Capital Football personal accident insurance policy should they be injured at training before completing the online registration process for the 2020 season.

It is important to note that in order to play in competitions, players still need to register club on the Play Football system.

Should a player that has completed an Intent to Play form be injured during training, they will need to complete the online registration process on Play Football and pay their 2020 fees in order to make a claim. We understand this may result in a refund of registration fees needing to be provided later if the injury was significant and ruled the player out from participating for the season.

Should you have any questions regarding the form, please feel free to contact me at;
