**NOTE:** Minimum of 4 parents required per shift 2 for the BBQ and 2 for the canteen.

**For safety reasons, children under the age of 12 years are not permitted in the canteen**

When two teams are on the roster together, Belwest does require both teams to turn up as we usually have a big day at Latham

Teams are asked to do one 2 or 3 hour session in a season. A roster should be no more than an hour per person, Team managers and Parents are asked to work this out so that the coach and manager have the time to spend with the team when they are playing.

We do apologise as some teams may have to do roster twice, we do try to balance the time out as best as possible.

If teams do not attend the BBQ/canteen, we may require to close for that session

We are always looking for help early morning from 07.30 - 9.00 to help set up the BBQ & Canteen, cut & butter buns, **Coffee is always available**
