

Under 12 to Under 18

Field Setup and Take Down

Please remember to check the notice board. This will advise if you will need to setup and take down your playing field each week.

Coaches and Managers should have **adults organised** to **set up** and **take down** fields, **remember** – please be quick. Nets and Flags will be prepositioned behind the goals, if not check the Compound or ask a Committee member.

Note: Games must start on time, any delay in setting up of the field or teams being ready to play will result in **YOUR MATCH being cut short**, so give yourself at least 30 minutes before match time.
