

Under 7 Field Setup and Take Down

Coaches and managers should have **adults (other than themselves) organised to set up the fields and take down at the end of the game.**

Remember: Another game could be following yours and it will need setting up by that team – so please be quick.

Note: Games must start on time, any delay in setting up of the ground or teams being ready to play will result in **YOUR MATCH** being cut short, PLEASE give yourself at least 30 minutes before match time.
