Belwest is a volunteer run club, as such we expect every team to help out with the running of our canteen and BBQ. Due to the restrictions the Canteen and BBQ will be running a little different this year. We expect each team to supply 2 people an hour, 1 will work on the BBQ and 1 will work in the canteen.

All teams have lots of notice so please make sure you cover your roster. If you can't you need to swap spots with another team.
