In most cases the Under 8's will set the fields up and the Under 9's will take down. Please check the board to see what your team needs to do each week.

Coaches and managers should have **adults organised** to **set up** and **take down** fields,

please check the board if you need to set up the field.

Remember: Another game could be following and it will need setting up by that team – so please be quick.

Note: Games must start on time, any delay in setting up of the ground or teams. Being ready to play will result in YOUR MATCH being cut short, PLEASE give yourself at least 30 minutes before match time.
